DOC - OXFORD ENGLISH FOR CAREERS MEDICINE EBOOK

Everything in each Student's Book is vocation-specific, which means students get the language, information, and skills they need to help them get a job in their chosen career. Medicine teaches pre-work students to communicate accurately and effectively in English, with patients and colleagues. Real situations help students learn appropriate language in the area. Oxford English for Careers is a series which prepares pre-work students for starting their careers. Each book teaches English in context, so students practise the language and skills they need for the job in real work situations.
