E-BOOK / PROJECTS ON MY FAMILY DOCUMENT

Family Trees or WorldConnect allows you to upload a GEDCOM file and publish it for others to see. There were many priceless stories that have been shared with my children recently, and I learned several interesting facts about my family that I did not know before this project. It brought back a flood of memories from my childhood with my grandparents and parents. Because God Himself designed them! Is your school doing a family tree school project?

Post Class Web to your Class Blog Once the idea web/mind map has been completed, upload and/or link it to your class blog. Adhere letter stickers to spell out About my (family members of your choice). Find fun Disney inspired art and craft ideas for kids of all ages including holiday and seasonal crafts, decorations, and more. Everything I eat has been

The 34 page Family Project Packet in PPT format contains everything you need to start a monthly family project in your classroom. In this file, you'll also find a fun board game, an interview worksheet and evaluation grids. Start learning today for free! In this unit, students have to describe two family members (one male and one female). This product is designed for elementary Cycle Two ESL students.
